MG Summer, I'm Lovin' It

July 2015

About *The Octagon* and MGOC...

The M.G. Owners Club, formed in 1957, is the Northern California Centre of the M.G. Car Club, formed in England in 1930. The Peninsula T Register was formed in 1973 and is now an informal sub-group of the MGOC. We receive a copy of the MGCC's *Safety Fast*, available to members on loan from the corresponding secretary. The Club is also associated with the North American MGB Register, the North American MGA Register, and the New England MG T Register. The MGOC holds a business meeting each month, after a Saturday Tour or Event, known as the "Natter and Noggin," in the style of English clubs. The Octagon, our newsletter, is published monthly by the M.G. Owners Club. Opinions expressed in The Octagon are not necessarily those of the MGOC, its members, or Board of Directors.

From the Editor...

MG Summer ... I'm Lovin' It ... Ba Da Ba Ba Ba

OK, I readily admit, I am a sucker for any tagline that makes an emotional connection. Be it a jingle, a movie quote, or in this case, a full blown McDonald's ad campaign. Madison Avenue was in full force when it decided to rebrand "I'm Lovin' It," for this summer's release. It works because it tugs at those emotional heartstrings that make us feel good about a summer burger. Well, if it works for a summer burger, why shouldn't it work for summer MG driving? Don't we love our MGs more than a burger? Besides, the emotional quotient behind past summer MG drives, evoke a nostalgia, that only Summer and MGs can bring. MG Summer ... I'm Lovin' It ... Ba Da Ba Ba Ba! And what an MG Summer it is. We're barely into it, and we've already had two Main Events, our 22nd Annual MGs by the Bay and the 42nd Annual GOF West.

However, in order to pace things out, we've decided to cover each event, in its own issue. So if you want to hear about MGs by the Bay? Then, you are at the right place. If you want to hear about GOF West? Then, come back next month.

Once again, The Livery, in Danville, played host to our 22nd Annual MGs by the Bay. And despite the event being in the north, I am happy to report, Samantha, "Tuxedo" (new nickname for our 1955 MG TF1500, lovingly given, by the other participants attending), and I, made it up there without the slightest hiccup, back fire, or banjo bolt loosening. MG Summer ... I'm Lovin' It! A total of 72 registrants also made the trip, to display their cars and about 10, to display their dogs. Ever since Enzo and Winnie were recognized as our MG Canine Fashionistas, more are coming to our events.

In addition, this year featured a number of kids, who have taken an interest in MGs. As we all know, we are not getting any younger, and the future of MGOC is totally dependent on winning over generation Y2K. Member, Jennifer Orum, recently came up with a number of suggestions to encourage younger people to participate in car club activities.

- Form a club committee or working group to discuss ways to attract younger people to club activities and membership (offering free food usually helps)
- Look at ways to make the membership meetings more youth friendly (involve audio-visual presentations with free food)
- Consider active events that would be of interest to young people (create a Bring A Youth to a Rally events or Working on Car events and offer free food)
- Sponsor events in conjunction with high schools or colleges nearby (and have plenty of free food)
- Develop more youth-friendly ways to communicate (yes, that means social media: email, texting, Facetime, Facebook, Twitter about events with free food)
- Look into the youth initiatives of Hagerty Insurance (include youth judging events <http://www.hagerty.ca/>)
- Make, I mean, politely ask them hand write articles for *The Octagon* ...

President's Ponderings ...

Hello MGCers,

Happy Fourth of July Fellow MG lovers!

So far it has been a great driving season. Vicky and I just got back from the GoF West in Rohnert Park and we had a great time.

Congratulations go out to the MGOC members that won awards. We represented our group well. Next year the GoF West will be open to all "Vintage" MG cars and held in Redmond, Oregon. Details to follow soon.

At our last meeting, we voted on increasing Annual Dues \$5.00 to \$25.00 per year per family and if you are receiving the printed Octagon by snail mail, your Annual Dues will be \$35.00 to partially cover the escalating costs in printing and postage. (the club spent @ \$2,100 on postage and printing Octagons last year)

If you have already paid your dues for 2015/16 or recently joined the club since this past April, you don't have to worry about dues for this year.

For the rest of you, I will be sending out a letter in the beginning of July that you can place in your monthly "bills" stack and either send me a check for your 2015/16 dues or you can go to the Members Only tab on the website and pay your dues via PayPal.

If you are one of the 60 plus that receive the Octagon in the mail, you may want to reconsider and print your own color "Print" Octagon booklet each month.

If you have any questions, please do not hesitate to call me @ 408 355-4125.

Plans for the 3 day CA Coast to Fort Bragg trip are being finalized and although we have met our limit of 30 meals for Saturday night's dinner, you are still welcome to attend the drive up and activities, which I'm sure will be spectacular. (addendum, we've opened up a second table, so if you want to be at the kid's table and sit with Samantha and Stephanie, here's your chance ...)

Safety fast!
Steve Kellogg

A motion was made to increase MGOC Annual Membership dues to cover increasing costs, particularly with the printing and mailing of the *Octagon* each month to members who request it to be mailed. - If a member wishes to receive a printed *Octagon* via the USPS, their dues will be \$35.00.
- Corresponding family memberships will be increased from \$10.00 to \$15.00.
- If a corresponding member wishes to receive a printed *Octagon*, their dues will be \$25.00.
- Prorated Dues throughout the year will be:
