LLOGG RUN

By Samantha Lee

Two weeks ago, I went on the LLOGG Run to Moon Bay, starting from Los Gatos. We had a great time! It was a great opportunity for a long time off of stuff and then work.

We were the second car in the route because the Kettig's (not the cereal company) had a car show at the local broadcast vehicle studio across the valley-side on channel 1, that Randy Grossman lent me. I had to leave my car there so we could go to work because the rest of the cars were required to be at the car show.

After a few minutes, the Kettig's finally came and we're on our way to Big Sur.

There were some really big trees, and we stopped to take pictures of them. Then we drove a long way to Cameron's Inn to have our dinner and Maggie Meeting and then we drove back to the car show to eat some baked pizza since it was cold that day. I loved it!

Andy Proton showed me an article that was printed about him in a classic car magazine.

After the meeting, and lunch, we left Cameron's and drove the long way back to our houses. The LLOGG Run made for a lovely day!

MG Award Meet and Greet or Most Gregarious Award

By Samantha Lee

On the week of July 16-19, I went to Rohnert Park for the MG Award. My dad and I drove up from San Jose, California, and checked in. The host gave me a chocolate bar and a small gift bag. I got a ticket to get one everyday. This I traded in the store for a shirt. I also got a ticket for the MG Award and Grand Bonuses. We had to fill in the MG Award and Grand Bonuses. The person who had the most signatures would receive a \$1000 gift certificate. My dad said that if it would be a good idea to sign my book.

After that, my dad and I went to the orientation and then to dinner at Oink Oink in Santa Rosa. There was a great band playing.

The next day we went out to the Car Show. I was assigned to the MG booth. While I was getting signatures, I saw someone named Zella Clinton Davis, she is the President of the California MG Club. She has a white MG and looks great.

I did a good job. I called out to give her an award for MG Award for Most Gregarious. I tried to everyone who signed my book. I had a great time meeting everyone.

GOF West, Rohnert Park, 2015 And What a Gathering It Was

By Vicki Preston

The Sunrunners Vehip MG Car Club did a fabulous job of hosting this year's GOF West at the Rohnert Park Doubletree. There were over 300 visitors from 24 different clubs at the event. The long-distance visitors were from Vancouver, Canada. Twenty-four countries attended the event and lots more came.

This was the first time the MG club organized the event. The MG club did a great job of getting everybody else's help. On Monday morning, we started the orientation, which was presented by Lewie and Vicki Preston. They did a great job of getting us all ready to go. They were very nice and helpful.

Tuesday consisted of the car show, held at the local community center, on the grassy field. Over 140 MGs and other cars were on display. There was a great band playing and lots of fun.

The weather was perfect for the day driving and the sun was spectacular.

Wednesday's programs included the Banquet and auction bids, including Harry's Garage, MG Society in Social Media, which was voted the best MG club.

Thursday was the swap meet, Funhouse and we had a tour in Petaluma Ford Company's factory. We met up for the Awards Banquet in the evening and both the MGOC and SSTS were well represented.

Following the meeting, we had a dinner for the MGOC and SSTS members, including Harry's Garage, MG Society, and others.

The weather was perfect for the day driving and the sun was spectacular.

Friday morning we had a breakfast for the MGOC and SSTS members, including Harry's Garage, MG Society, and others.

After the breakfast, we had a tour in Petaluma Ford Company's factory, which was voted the best MG club.

Saturday was the swap meet, Funhouse and we had a tour in Petaluma Ford Company's factory, which was voted the best MG club.

Sunday was the last day of the MGOF West. The MG club did a great job of organizing the event.

Everyone had a great time and the MG club did a great job of putting on a great event.

Many thanks to the following members of the MG Society, MGOC and SSTS. We being a part of this was, but not an special trip, to the Northern California MGWeekend.
